

Kids deserve the best.

sports are just around the corner, and with that comes the annual sports physical. I am writing to you today to let you know that Children's Hospital of Wisconsin has two primary care clinics in the area that can help with any athlete needing a same day physical. We are happy to assist your program and help families obtain this physical to ensure that their athlete is safe to play any sport.

The second primary care clinic is located at the following location:

Cedarburg Pediatrics
7861 State Road 60
Cedarburg, WI 53012

Please call 262-546-1050 to schedule an appointment at the Cedarburg location. This location has one pediatrician, Dr. Boyd Miller.

We have one primary care clinic located in West Bend at the following location:

Children's Primary Care – West Bend
500 Shepherds Drive
West Bend, WI 53090

Please call 262-353-4460 to schedule an appointment at the West Bend location. This location has two board certified pediatricians, Dr. David Meuler and Dr. Carol Estill.
