January 9, 2015 vs Whitefish Bay

Pirates: 80
Whitefish Bay: 65

The Port Washington boy's basketball team had a tough task at home versus the Whitefish Bay Blue Dukes. Over the recent years the Dukes have had the Pirates number. This Friday would prove to be a different story. The Pirates jumped out to a quick start behind some pressure defense and easy layups. The first quarter would end with the Pirates clinging to a 19-18 lead but the second quarter the guys asserted themselves and were able to take a 33-25 into halftime. The third quarter would prove to be the pivotal one as the Pirates got hot from distance and carried a 15 point lead into the final quarter. The Pirates withstood an onslaught of three point baskets from the Dukes in the fourth quarter but managed to answer every basket and shoot 25/28 from the FT line and secure the 80-65 win. Next up a showdown with undefeated Germantown and a share of first place in the North Shore Conference on Friday the 16th. Tip off is at 7:30pm in the Germantown high school gym.

The girls also put up their best team score on beam.

January 17, 2015 vs Highlander Invite

On Saturday, the gymnasts were able to pick up their first invitational win in a very long time with a 124.825, defeating Sheboygan North/South 124.35, Waupun 122.625, Watertown 122.525, Shorewood 120.175, Manitowoc 115.325, Oconomowoc 114.775, and Hartford 107.2!!

The girls were led by Dani O'Donnell who added another school record to her resume with an 8.65 on floor, moving her into the #1 spot on Port's Top 10 for Floor exercise. She finished 2nd All-Around, 2nd on Bars, 2nd on Beam, and 4th on Floor. Kaylyn Garant also picked up a handful of medals with finishes of 3rd on Vault, 3rd on beam, 5th All-Around, and 6th on Bars. The team was helped to victory by a personal best from Kylee Paradowski on bars, who posted a personal best by half a point. Hailey Brakke had a season best on vault.

The Port girls would not have won the meet without the clutch performances on beam. The girls were the last competitors of the night on balance beam, which unsurprisingly, is the event where mistakes happen and nerves are most impactful. Because of the format of the meet, Kylee and Daytona Snook had already competed before Hailey, Kaylyn, and Dani warmed up. Hailey started the group off with zero falls and her highest scoring beam routine of the

season. Kaylyn and Dani secured the victory with zero fall routines of their own—the 2nd and 3rd best beam routines of the day. If our beam score had been our previous best instead, the girls would not have won the meet.

Congratulations girls!!

January 16, 2015 vs Madison East/La Follette

The Ice Hawks returned to their winning ways with a dominating 6-1 victory over the visiting Madison East/La Follette Lakers this past Friday at the Ozaukee Ice Center.

The Ice Hawks took control early and never looked back. First on the scoresheet was Taylor Snider (Port Washington), who finished off a 2-on-1 pass from Jeff Wade (Grafton) after being sprung on the break by Max Manz (Grafton). With under three minutes left in the first, the Ice Hawks struck again, this time through Wade who scored off of a nice play from Nate Perez (Grafton) and Snider.

It was more of the same in the second period. The Ice Hawks took a 3-0 lead, this time through Perez, who put home the puck on the backdoor off of a nice feed from Snider following a Madison turnover in the zone. The Lakers scored their only goal on a rush to make it 3-1, but the Ice Hawks added two more before the end of the period through Wade, who completed his hat trick.

The flow of third period was slowed due to some penalties, but the Ice Hawks still managed to add another to their final tally. Two minutes in, Captain Bryce Fisk (Grafton) found space in the slot on the power play, slapping home a quick pass from Perez, who was setup by Wade. Goalie Izac Hickox (Grafton) had another strong game, stopping 19 of 20 shots for the victory.

The Ice Hawks are now 9-5-1 on the season. The next game is Friday, January 23 at 5 PM against Beaver Dam at the Ozaukee Ice Center.
