CHARACTER COUNTS
ATHLETE OF THE WEEK

Hannah Jentink

Hannah, a sophomore at Port Washington High School, is in her second year of competing in Track and Field at the High School level. As a freshman, Hannah struggled to stay on the track due to lingering leg injuries. Questions lingered about her ability to stay healthy and compete in the sport at a varsity level. During her sophomore year, Hannah trained hard so that the injuries would not become a reoccurring issue. She set lofty goals and embarked on a path to achieve those goals. She has made herself into one of the team's better 100M runners and has become a fixture on the 400M relay team. Hannah enjoys Track and Field and is a great teammate to her peers. She is a great ambassador for the sport at Port Washington High School. She has demonstrated that through hard work and by having a positive attitude, it is possible to overcome difficult obstacles.

Congratulations Hannah!

Girls Varsity Softball vs. Nicolet

May 18, 2017

Score

PIRATES: 10

NICOLET: 0

On senior night, the Pirates finished strong in their last regular season game with a 10-0 win vs Nicolet. They played well in all aspects of the game, collecting 15 hits and only committing 1 error. Morgan Esselman added some excitement with her 2 run home run. Kate Snook's pitching was sharp, shutting out Nicolet for the win.

Next up....Regional game vs Plymouth on 5/24/17. Game time at 5pm!

Boys Varsity Track by Mark Pasten

NSC Outdoor Championship

May 16, 2017

The boys track and field team ended up in 6th place at the NSC Outdoor Championship which was hosted by Cedarburg. The Pirates scored 55.5 points and the conference champions Homestead scored 137.5 points.

Senior Nolan Olson had a great day in the hurdles. He started out the day with a shocking 3rd place finish in the 110 High Hurdles. He qualified for the finals with the 7th fastest time in the prelims and managed to run a near perfect race in the finals. He then came back later to finish in 2nd place in his best event the 300 meter intermediate hurdles. His time of 40.99 seconds was a personal best. Junior Nick Landowski also had an outstanding day. He started the day with the 110 meter high hurdles where he was a little bit disappointed in his 7th place finish in the finals. He had qualified for the finals with the 4th fastest time, but he wasn't able to run a clean race in the finals and it cost him a few places. To his credit he was able to put that performance behind him quickly. He had to compete in both the High Jump and Long Jump immediately after the hurdles concluded. Nick was able to clear 6 feet in the high jump on a very windy day which put him in a tie for third place. He also leapt 20 feet 10.5 inches in the long jump which put him in 3rd place. The 4 x 800 relay started the day out on a positive note for the team with their 3rd place finish in the first event of the day. The relay consisted of Zach Miller, Isaac Bensen, Isaiah Holland and Zach Wehner.

Holland was a late substitution and did an outstanding job of not only keeping the team in the mix and passed two teams on his leg. Senior Kyle Casasola was able to finish in 3rd place in the Discus. Junior Michael Murphy was able to clear 12 feet which was good enough for 4th place. Senior Ben Claas stepped up to the challenge of competing in both the 1600 meter and 3200 meter runs. He did a great job by finishing in 6th place in both events. In the 1600 he ran a seasons best time of 4:43.47 on a day that was windy and warmer than it had been all season. When he came back for the 3200 the effort that he put in during the 1600 was evident as he was not able to hold on to the front pack after the mile. From that point on Ben had to battle the elements by himself and was able to hold off the rest of the field. Complete results can be found at: PT Timing
